This home has award winning curb appeal which is complemented by dramatic interior spaces. You enter from a pillared covered porch into a double height foyer with a two sided loft above that overlooks the double height great room on the other side. To the left of the foyer is a formal dining room that is ideal for meals with friends and family. The open kitchen features an angled breakfast bar that serves both the light filled casual dining area and the soaring great room the features a fireplace with flaking clerestory windows. A convenient mudroom makes a great transition from the three car garage while providing closet space, a laundry area, and a half bath. You are sure to appreciate the privacy of the first floor master suite with tray ceiling, two sided fireplace, separate soaking tub, and large walk-in closet. Your children will enjoy the exciting loft space that is ideal for reading or doing homework. The three upstairs bedrooms benefit from three and a half baths, making this home very family friendly.
